

This 2-day seminar is designed for nurses preparing for the Certified Emergency Nurse (CEN) examination, and for any nurse interested in reviewing the concepts and standards of care necessary for emergency nursing practice. The course will review the major areas of test focus, while the provided syllabus will cover all test content, as established by the BCEN. This course cannot guarantee that all participants will pass the certification exam. It is the responsibility of individual participants to take the necessary time to review study & gain mastery of the required topics.

COURSE OBJECTIVES:

Upon completion of this course, the participant should be able to:

1. Recognize specific physiological presentations and clinical signs indicative of specific emergency diagnoses.
2. Describe appropriate nursing interventions and medical treatment modalities for specific emergency conditions.
3. List appropriate pharmacological treatment modalities for specific emergency conditions.

REGISTRATION & FEES:

Tuition: Tuition includes: continental breakfast, afternoon refreshments, CE certificate and an extensive program syllabus. There will be NO on-site registration. Confirmation of registration will be returned by mail or E-mail.

Cancellations: Cancellations must be made in writing more than 14 days before the seminar. Cancellations made less than 14 days prior to the seminar will be charged a \$25 processing fee.
