## ***COURSE OVERVIEW***

The Emergency Nurses Association's TRAUMA NURSING CORE COURSE is a two day course that is designed to provide core level trauma knowledge and psychomotor skills associated with the delivery of professional nursing care to the trauma patient.

Content is presented through lectures and skills stations. Upon successful completion of the course (written & skills exams) each RN participant will be provided a verification card (which is valid for four years). CEU's are also provided upon completion of course.

---

**REFUND POLICY**·No refunds will be granted.
